“Have some free time? Stop by Our Community Place, located at 17 East Johnson Street in Harrisonburg, VA, right next door to the Little Grill Restaurant. Dedicated to helping those in need of love and support, OCP works to provide anyone in the community with food, shelter, and a place to call home. After almost 16 years of raising funds, assistance, and hope, OCP finally opened its doors in 2008, welcoming all to enter and experience the safe and caring atmosphere. It offers computer access, daily worship, counseling, classes, three meals a day, a safe haven for the homeless, and many other activities. It is open to everyone!

Now, we need your help on spreading the word of OCP. The success of this organization depends upon your love and generosity. Visit ourcommunityplace.org for more information and to learn about the great opportunities Our Community Place can offer you to visit, volunteer, or donate, while overall contributing to the genuine cause of helping others. We need you to make a difference!
